G.G.C (W) AT A GLANCE

Govt. Graduate College for Women Peshawar Road Rawalpindi was established in September 1987 in a rented building. Its first Principal was Mrs. Zubaida Ahmed.

After this the college was transferred to a vacant building of Punjab Urban Transport, a block consisting of 17 rooms a Library, corridors and a porch was established over there.

With the consistent efforts of the Academic Staff and sincere leadership of Principals, the College proved to be the best educational institution of the Rawalpindi Cantt. The number of students kept on increasing every year. A science block, multipurpose hall and computer lab were built in college to facilitate the students. The following achievements are also part of ongoing struggle in the journey of success.

- * Guidance and Counselling Centre.**
- * Co-curricular activities and students council & Societies**
- * Well- equipped laboratories.**

College Student Council

Objectives

The college environment provides better educational opportunities to the students inculcating the spirit of discipline, responsibility and mutual cooperation. The awareness about the world makes the students confident to deal/share their problems regarding studies with each other and with their teachers.

Keeping this important factor in mind the College Student Council was established in Government Graduate College for Women, Peshawar Road, Rawalpindi in 1987 which is working efficiently till date. Student Council Body is based on the following four main posts; as well as Proctors and the Societies.

- | | |
|---------------------|-------------------|
| 1-President | 2-Vice President |
| 3-General Secretary | 4-Joint Secretary |

Eligibility Criteria

1. The applicant should have good educational care (no failure in any exam) and should be efficient enough to take distinction in her subjects.
2. She should have good conduct with others and should have leadership qualities along with strong personality.
3. She should be willing to perform all the duties assigned to her by the college authorities with honesty and devotion.
4. She should be capable of understanding and resolving the problems of her college fellows.
5. She should not only take part in co-curricular but also motivate others for participation.

Co-Curricular and Extra-Curricular Activities **Co-Curricular Activities**

Co-Curricular activities facilitate the development of various domains of mind and personality such as intellectual, emotional, social and moral development. College provides the opportunity to the students for this kind of development through different college societies

- 1 Ideology of Pakistan Society
- 2 English Society
- 3 Urdu Society
- 4 Islamiyat Society

Extra-Curricular Activities

Extra-curricular activities play a vital role to develop enthusiasm and positive thinking in the students. The college nourishes students mind and personality through holding different games/ sports competitions at various levels.

College Bus

The college is proud of having its own conveyance in the form of its bus. This bus will be run on the specific routes, depending upon the number of students for every destination.
